

Friedrich Dehumidifiers

Friedrich quality with electronic convenience! Eliminates damp air and musty odors. Helps to prevent damaging mold and mildew caused by excessive moisture.

16% increase in bucket capacity for less frequent emptying.

- **Electronic Touch Control**
- **Energy Timer**
Select from continuous run, 2 hr. ON/OFF cycle, or 4 hr. ON/OFF cycle.
- **Two-speed Fan/ Dryness Control**
- **22-Pint Capacity Front Removable Bucket**
Allows for easy disposal of collected condensate
- **Bucket Full Indicator**
Light signals you when the water bucket is full and disables unit until it has been emptied
- **Drain Hose Connectable**
- **Washable Air Filter**
Protects interior components from dust and dirt
- **Low Temperature Operation**
Operation down to 53° F
- **Humidistat Control**
Adjustable humidity level control which automatically shuts unit off and resumes operation based on a predetermined level
- **Automatic Defrost Control**
A sensor shuts off the compressor should coil temperatures approach freezing for maximum reliability
- **Automatic Restart**
- **Easy Roll Casters**
Recessed casters allow you to easily move the unit

CAPACITIES: 30 | 40 | 50 | 65 Pints

Friedrich®

AMERICA'S BEST AIR CONDITIONER
