## Kenmore Elite Appliance Warranty

### One Year Limited Warranty

When installed, operated and maintained according to all instructions supplied with the product, if this appliance fails due to a defect in material or workmanship within one year from the date of purchase, call **1-800-4-MY-HOME**® to arrange for free repair. If this appliance is used for other than private family purposes, this warranty applies for only 90 days from the date of purchase.

#### **This warranty covers only defects in material and workmanship. Sears will NOT pay for:**

1. Expendable items that can wear out from normal use, including but not limited to filters, belts, light bulbs, and bags.
2. A service technician to instruct the user in correct product installation, operation or maintenance.
3. A service technician to clean or maintain this product.
4. Damage to or failure of this product if it is not installed, operated or maintained according to all instructions supplied with the product.
5. Damage to or failure of this product resulting from accident, abuse, misuse or use for other than its intended purpose.
6. Damage to or failure of this product caused by the use of detergents, cleaners, chemicals or utensils other than those recommended in all instructions supplied with the product.
7. Damage to or failure of parts or systems resulting from unauthorized modifications made to this product.

### **FIVE-YEAR LIMITED WARRANTY**

For the second through the fifth year from the date of purchase, when installed and operated according to the Installation Instructions and Use & Care Guide, **Sears will supply the following range parts free of charge** if they fail for the reasons listed below. Customer must pay labor cost of installation.

- Cooktop glass if it fails due to thermal shock.
- Cooktop elements if they are defective.

#### **What Sears will not cover:**

- Failure of the product if it is abused, misused, or used for other than the intended purpose.
- Damage to the cooktop glass caused by the use of cleaners or utensils other than the recommended cleaning cream and tools.
- Damage to the cooktop glass caused by hardened spills of sugary materials (including starches from vegetables or pastas) or melted plastic that are not cleaned according to the directions in the Use & Care Guide.
- Repairs to parts or systems resulting from unauthorized modifications made to the appliance.

#### **Disclaimer of implied warranties; limitation of remedies**

Customer's sole and exclusive remedy under this limited warranty shall be product repair as provided herein. Implied warranties, including warranties of merchantability or fitness for a particular purpose, are limited to one year or the shortest period allowed by law. Sears shall not be liable for incidental or consequential damages. Some states and provinces do not allow the exclusion or limitation of incidental or consequential damages, or limitations on the duration of implied warranties of merchantability or fitness, so these exclusions or limitations may not apply to you.

This warranty applies only while this appliance is used in the United States and Canada.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

**Sears, Roebuck and Co., Dept. 817WA, Hoffman Estates, IL 60179**  
**Sears Canada Inc., Toronto, Ontario, Canada M5B 2B8**

# Important Safety Instructions

Read all instructions before using this appliance.  
Save these instructions for future reference.

This manual contains important safety symbols and instructions. Please pay attention to these symbols and follow all instructions given

**⚠ WARNING** This symbol will help alert you to situations that may cause serious bodily harm, death or property damage.

**⚠ CAUTION** This symbol will help alert you to situations that may cause bodily injury or property damage.

- **Remove all tape and packaging before using the appliance.** Destroy the carton and plastic bags after unpacking the appliance. Never allow children to play with packaging material.
- **Proper Installation—Be sure your appliance is properly installed and grounded by a qualified technician in accordance with the National Electrical Code ANSI/NFPA No. 70—latest edition in the U.S. A., or CSA C22.1, Part 1 in Canada, and local code requirements.** Install only per installation instructions provided in this manual.
- **Storage in or on Appliance—Flammable materials should not be stored in the drawer.** This includes paper, plastic and cloth items, such as cookbooks, plasticware and towels, as well as flammable liquids. Do not store explosives, such as aerosol cans, on or near the warmer drawer. Flammable materials may explode and result in fire or property damage.
- **Do not leave children alone. Children should not be left alone or unattended in the area where an appliance is in use.** They should never be allowed to sit or stand on any part of the appliance.
- **DO NOT TOUCH INTERIOR SURFACES OF THE WARMER DRAWER.** Surfaces may be hot even though they are dark in color. During and after use, do not touch, or let clothing or other flammable materials touch these areas until they have had sufficient time to cool.
- **Wear Proper Apparel—Loose-fitting or hanging garments should never be worn while using the appliance.** Do not let clothing or other flammable materials contact hot surfaces.
- **Use Only Dry Potholders—Moist or damp potholders on hot surfaces may result in burns from steam.** Do not let the potholders touch hot heating elements. Do not use a towel or other bulky cloth instead of a potholder.
- **Do Not Heat Unopened Food Containers—Build-up of pressure may cause the container to burst and result in injury.**
- **IMPORTANT—Do not attempt to operate the warmer drawer during a power failure. If the power fails, always turn the control off.** If the drawer is not turned off and the power resumes, the drawer may begin to operate again. Food left unattended could spoil
- **User Servicing—Do not repair or replace any part of the appliance unless specifically recommended in the manuals.** All other servicing should be done only by a qualified technician to reduce the risk of personal injury and damage to the appliance.
- **Never modify or alter the construction of a drawer by removing panels, wire covers, locking plates, or any other part of the product.**

**⚠ WARNING**

- All Warmer Drawers can tip.
- Injury to persons could result.
- Install anti-tip device packed with warmer drawer.
- See Installation Instructions.

**⚠ WARNING**

To reduce the risk of tipping of the Warmer Drawer, the drawer must be secured by properly installed anti-tip locking provided with the drawer. To check if the locking plates are installed properly, grasp the handle of the open drawer and see if the drawer will slide out of the opening. Refer to the installation instructions for proper locking plate installation.

**⚠ WARNING** Do not use the warmer drawer for storage.

**⚠ WARNING** Stepping, leaning or sitting on the door or drawer can result in serious injuries and may also cause damage to the warmer drawer. Do not allow children to climb or play around the drawer. An open drawer, when hot, may cause burns.

**⚠ WARNING** Never use your appliance for warming or heating the room.

ENGLISH

# Important Safety Instructions

## IMPORTANT INSTRUCTIONS FOR USING YOUR WARMER DRAWER

- **Protective Liners**—Do not use aluminum foil to line warmer drawer. Any other use of protective liners or aluminum foil may result in poor performance or damage to the appliance. Only use aluminum foil as recommended for baking if used as a cover placed on the food.
- **Glazed Cooking Utensils**—Only certain types of glass, glass/ceramic, ceramic, earthenware, or other glazed utensils are suitable for use without breaking due to the sudden change in temperature. Check the manufacturer's recommendations.
- **Use Care When Opening Warmer Drawer**—Stand to the side of the unit when opening the door of a hot drawer. Let hot air or steam escape before you remove or replace food in the warmer drawer.
- **Placement of Warmer Drawer Racks**—Always place rack in desired location while drawer is cool. If rack must be moved while hot, use extreme caution. Use potholders and grasp the rack with both hands to reposition. Do not let potholders contact the hot element or interior of the warmer drawer. Remove all utensils from the rack before removing rack.

## IMPORTANT INSTRUCTIONS FOR CLEANING YOUR WARMER DRAWER

- **Clean the drawer regularly to keep all parts free of grease that could catch fire.** Do not allow grease to accumulate. Greasy deposits could catch fire.

## Product Record

In this space below, record the date of purchase, model and serial number of your product. You will find the model and serial number printed on the serial plate.

Model No. **790.** \_\_\_\_\_

Serial No. \_\_\_\_\_

Date of purchase \_\_\_\_\_

Save these instructions and your sales receipt for future reference.

## Please carefully read and save these instructions

This Use & Care Manual contains general operating instructions for your Warmer Drawer and feature information for several models. Your product **may not** have all the described features. The graphics shown are representative. The graphics on your appliance may not look exactly like those shown. Common sense and caution must be practiced when installing, operating and maintaining any appliance.

- **Kitchen cleaners/aerosols**—Always follow the manufacturer's recommended directions for use. Be aware that excess residue from cleaners and aerosols may ignite causing damage and/or injury.
- **Do not cover the broiler grid or oven bottom with aluminum foil.** Exposed fat and grease could ignite.
- **Do not touch a hot oven light bulb with a damp cloth.** Doing so could cause the bulb to break. Disconnect the appliance or shut off the power to the appliance before removing and replacing the bulb.
- **Protective liners**—Do not use aluminum foil to line the oven bottom. Only use aluminum foil as recommended in this manual. Improper installation of these liners may result in risk of electric shock, or fire.

## IMPORTANT SAFETY NOTICE

The California Safe Drinking Water and Toxic Enforcement Act requires the Governor of California to publish a list of substances known to the state to cause cancer, birth defects or other reproductive harm, and requires businesses to warn customers of potential exposure to such substances.

## SAVE THESE INSTRUCTIONS

## Serial Plate Location

You will find the model and serial number printed on the serial plate. The serial plate is located along the interior right side trim and visible when the warmer drawer is opened.

Remember to record the serial number for future reference.

Serial Plate Location

## Before Setting Warmer Drawer Control

Upright Position

Downward Position

### Arranging Warmer Drawer Rack Positions

Set the warmer drawer rack in the vertical position as shown below.

The rack can be used in 2 ways:

- In the **upright position** to allow low profile food items to be placed both under and on top of the rack (for example, rolls or biscuits on top of the rack and a casserole dish under).
- In the **downward position** to allow you to place light weight food items and empty dishware (for example, rolls or pastries and dinner plates).

## Setting Warmer Drawer Control

### To Operate the Warmer Drawer

The purpose of the warmer drawer is to keep hot cooked foods at serving temperature. Always start with hot food. It is not recommended to heat cold food in the warmer drawer.

All food placed in the warmer drawer should be covered with a lid or aluminum foil to maintain moisture and softness. Do not cover crisp foods. **Do not use plastic wrap to cover food. Plastic may melt onto the drawer and be very difficult to clean.**

Use only dishware, utensils and cookware recommended for oven use in the warmer drawer.

Always use potholders or oven mitts when removing food from the warmer drawer as cookware and plates will be hot.

### Indicator Light

The indicator light is located below the thermostat control knob. It turns on when the control is set, and stays on until the control is turned off. Make sure indicator light is off when removing food from drawer.

# Setting Warmer Drawer Control

Use the warmer drawer to keep hot foods hot such as: vegetables, gravies, meats, casseroles, biscuits and rolls, pastries and heated dinner plates.

The warmer drawer is equipped with a catch which may require a small amount of force when opening and closing the drawer.

**Warmer Drawer Recommended Food Settings Chart**

<u>Food Item</u>	<u>Setting</u>
Bacon	HI
Biscuits	MED
Casseroles	MED
Eggs	MED
Empty Dinner Plates	LO
Fish, Seafood	MED
Fried Foods	HI
Gravies, creams, sauces	MED
Ham	MED
Hamburger Patties	HI
Pancakes, Waffles	HI
Pastries	MED
Pies	MED
Pizza	HI
Pork Chops	HI
Potatoes (baked)	HI
Potatoes (mashed)	MED
Poultry	HI
Roasts (Beef, Pork, Lamb)	MED
Rolls, soft	LO
Rolls, hard	MED
Vegetables	MED

## To Set the Thermostat Control

The thermostat control knob is used to select the temperature of the warmer drawer. It is located at the right side of the warmer drawer in the open position. The temperatures are approximate, and are designated by HI, MED and LO. The control can be set to the three settings, or anywhere between.

1. To set the thermostat, push in and turn the knob to the desired setting.
2. For best results, preheat the drawer before adding food. An empty drawer will reach the LO setting in about 12 minutes, the MED setting in about 15 minutes, and the HI setting in about 18 minutes.
3. When done, turn the thermostat control to OFF.

## Temperature Selection

**CAUTION** Refer to the chart in the side column for recommended settings. If a particular food is not listed, start with the medium setting. If more crispness is desired, remove the lid or aluminum foil.

Most foods can be kept at serving temperatures by using the medium setting.

When a combination of foods are to be kept warm (for instance, a meat with 2 vegetables and rolls), use the high setting.

Refrain from opening the warmer drawer while in use to eliminate loss of heat from the drawer. Open only for adding or removing food.

## To Warm Serving Bowls and Plates

Heat bowls and plates on the LO setting. Place empty dishes on the rack to raise them off drawer bottom. To further heat dishes or to heat fine china, check with the manufacturer for maximum heat tolerance.

## To Set the Humidity Controller

The humidity controller is located on the inside of the warmer drawer and used to control humidity in the warmer drawer. The humidity control knob can be set at any position between Moist (☉) (Figure 1) and Crispy (☾) (Figure 2) position. To set the humidity controller, slightly unscrew the knob, slide the controller to the desired location and screw the knob (closed) in place.

# General Cleaning

## Cleaning Various Parts of Your Appliance

Before cleaning any part of the warmer drawer, be sure all controls are turned OFF and the warmer drawer is COOL. REMOVE SPILLOVERS AND HEAVY SOILING AS SOON AS POSSIBLE. REGULAR CLEANINGS NOW WILL REDUCE THE EXTENT AND DIFFICULTY OF MAJOR CLEANING LATER.

Surfaces	How to Clean
<b>Glass</b> Drawer Front Panel	You may use a glass cleaner on the outside glass of the drawer. <b>DO NOT</b> immerse the drawer in water. <b>DO NOT spray or allow water or the glass cleaner to enter behind the drawer glass panel.</b> DO NOT use oven cleaners, cleaning powders or any harsh abrasive cleaning materials on the outside of the drawer.
<b>Plastic</b> Control Knobs	To remove control knob, turn to the OFF position; grasp firmly and pull straight off the shaft. Clean with a cloth soaked in soapy water. Rinse with a clean water and a dishcloth. To replace knob after cleaning, line up the flat sides of both the knob and the shaft; then push the knob into place. <b>Note:</b> Humidity controller knob cannot be removed .
<b>Stainless Steel</b>	Clean <b>stainless steel</b> with hot, soapy water and a dishcloth. Rinse with clean water and a cloth. <b>Do not use cleaners with high concentrations of chlorides or chlorines.</b> Do not use harsh scrubbing cleaners. Only use kitchen cleaners that are especially made for cleaning stainless steel. Always be sure to rinse the cleaners from the surface as bluish stains may occur during heating that cannot be removed.
<b>Porcelain Enamel</b> Body Parts and Drawer Cavity	Gentle scouring with a soapy scouring pad will remove most spots. Rinse with a 1:1 solution of clear water and ammonia. <i>If necessary</i> , cover difficult spots with an ammonia-soaked paper towel for 30 to 40 minutes. Rinse with clean water and a damp cloth, and then scrub with a soap-filled scouring pad. Rinse and wipe dry with a clean cloth. Remove all cleaners or the porcelain may become damaged during future heating. <b>DO NOT</b> use spray oven cleaners.
<b>Warmer Drawer Rack</b> 	The rack may be removed for cleaning. If removed, clean by using a mild, abrasive cleaner following manufacturer's instructions. Rinse with clean water and dry.

ENGLISH

## General Cleaning (continued)

**⚠ WARNING** Turn the warmer drawer control knob to OFF before removing the drawer. **DO NOT** touch the warmer drawer element. The element may still be hot enough to cause burns, even if it is dark in color.

## To Remove and Replace Warmer Drawer

### To Remove Warmer Drawer:

1. **⚠ WARNING** Turn power off before removing the warmer drawer.
2. Open the drawer to the fully opened position.
3. Locate the latches on both sides of the warmer drawer.
4. Pull up on the left glide latch and push down on the right glide latch.
5. Pull the drawer away from the appliance.
6. To clean warmer drawer, gently scour with a soapy scouring pad, this will remove most spots. Rinse with a 1:1 solution of clear water and ammonia. If necessary, cover difficult spots with an ammonia-soaked paper towel for 30 to 40 minutes. Rinse with clean water and a damp cloth. Remove all cleaners or the porcelain may become damaged during future heating. **DO NOT** use spray oven cleaners on the cooktop.

### To Replace Warmer Drawer:

1. Align the glide latches on both sides of the drawer with the slots on the drawer.
2. Push the drawer back into the appliance.

**⚠ WARNING** **Electrical Shock Hazard** can occur and result in serious injury or death. Disconnect appliance from electric power before cleaning and servicing the warmer drawer.

## Avoid Service Checklist

Before you call for service, review this list. It may save you time and expense. The list includes common occurrences that are not the result of defective workmanship or materials in this appliance.

### OCCURRENCE

### POSSIBLE CAUSE/SOLUTION

Drawer is not level.

Poor installation. Place a level on the cutout bottom. Make sure bottom is level.

Be sure cutout bottom is strong and stable enough to adequately support drawer (and wall oven, if applicable).

Cannot move appliance easily.  
Appliance must be accessible for service.

Cabinets not square or are built in too tightly. Contact builder or installer to make appliance accessible.

Warmer drawer does not operate.

Make sure cord/plug is plugged tightly into outlet.

Service wiring is not complete. Contact Sears or another qualified servicer.

Power outage. Check house lights to be sure. Call your local electric company for service.

## Master Protection Agreements

*Congratulations on making a smart purchase. Your new Kenmore® product is designed and manufactured for years of dependable operation. But like all products, it may require preventive maintenance or repair from time to time. That's when having a Master Protection Agreement can save you money and aggravation.*

The Master Protection Agreement also helps extend the life of your new product. Here's what the Agreement\* includes:

- ✓ **Parts and labor** needed to help keep products operating properly **under normal use**, not just defects. Our coverage goes **well beyond the product warranty**. No deductibles, no functional failure excluded from coverage – **real protection**.
- ✓ **Expert service** by a force of more than **10,000 authorized Sears service technicians**, which means someone you can trust will be working on your product.
- ✓ **Unlimited service calls and nationwide service**, as often as you want us, whenever you want us.
- ✓ **"No-lemon" guarantee** – replacement of your covered product if four or more product failures occur within twelve months.
- ✓ **Product replacement** if your covered product can't be fixed.
- ✓ **Annual Preventive Maintenance Check** at your request – no extra charge.
- ✓ **Fast help by phone** – we call it **Rapid Resolution** – phone support from a Sears representative on all products. Think of us as a "talking owner's manual".
- ✓ **Power surge protection** against electrical damage due to power fluctuations.
- ✓ **\$250 Food Loss Protection** annually for any food spoilage that is the result of mechanical failure of any covered refrigerator or freezer.
- ✓ **Rental reimbursement** if repair of your covered product takes longer than promised.
- ✓ **10% discount** off the regular price of any non-covered repair service and related installed parts.

Once you purchase the Agreement, a simple phone call is all that it takes for you to schedule service. You can call anytime day or night, or schedule a service appointment online.

The Master Protection Agreement is a risk free purchase. If you cancel for any reason during the product warranty period, we will provide a full refund. Or, a prorated refund anytime after the product warranty period expires. Purchase your Master Protection Agreement today!

**Some limitations and exclusions apply. For prices and additional information in the U.S.A. call 1-800-827-6655.**

**\* Coverage in Canada varies on some items. For full details call Sears Canada at 1-800-361-6665.**

### Sears Installation Service

*For Sears professional installation of home appliances, garage door openers, water heaters, and other major home items, in the U.S.A. or Canada call 1-800-4-MY-HOME®.*

## Acuerdos maestros de protección

*Enhorabuena por haber hecho una compra inteligente. Su nuevo producto Kenmore® está diseñado y fabricado para brindarle años de funcionamiento fiable. Pero, como cualquier producto, puede necesitar mantenimiento preventivo o reparaciones periódicas. Es por eso que tener un Acuerdo maestro de protección podría ahorrarle dinero y molestias.*

El Acuerdo maestro de protección también sirve para prolongar la durabilidad de su nuevo producto. El acuerdo\* incluye lo siguiente:

- ✓ **Piezas y mano de obra** necesarias para contribuir a mantener el funcionamiento adecuado de los productos **utilizados en condiciones normales de uso**, no sólo en caso de defectos de los productos. Nuestra cobertura va **mucho más allá que la garantía del producto**. No se aplican deducibles ni exclusiones por fallas del funcionamiento: es decir, **verdadera protección**.
- ✓ **Servicio técnico por expertos** (más de **10000 técnicos autorizados de Sears**), lo cual significa que quien repare o realice el mantenimiento de su producto será un profesional de confianza.
- ✓ **Servicio técnico a escala nacional y número ilimitado de llamadas de solicitud de servicio técnico**: se puede poner en contacto con nosotros cuantas veces lo desee y cuando lo desee.
- ✓ **Garantía "sin sorpresas"**: se reemplaza el producto cubierto por el acuerdo si ocurren cuatro o más fallas del producto en un periodo de 12 meses.
- ✓ **Reemplazo del producto**: en caso de que no se pueda reparar el producto cubierto por el acuerdo.
- ✓ **Revisión anual preventiva de mantenimiento del producto**: puede solicitarla en cualquier momento, sin costo alguno.
- ✓ **Rápida asistencia telefónica**, la cual denominamos **Solución rápida**: es decir, asistencia telefónica a través de cualquiera de nuestros representantes de Sears, sobre cualquiera de nuestros productos. Piense en nosotros como en un "manual parlante del usuario".
- ✓ **Protección contra fallas eléctricas**, contra daños debidos a fluctuaciones de la corriente eléctrica.
- ✓ **\$250 al año para cubrir cualquier posible deterioro de alimentos** que haya tenido que desechar debido a una falla mecánica de cualquiera de nuestros refrigeradores o congeladores cubiertos por este acuerdo.
- ✓ **Devolución de gastos de alquiler de electrodomésticos** si la reparación de su producto asegurado toma más que el tiempo prometido.
- ✓ **10% de descuento** aplicable tanto a los costos del servicio de reparación, como de las piezas instaladas relacionadas que no hayan quedado cubiertos por este acuerdo.

Una vez que haya realizado el pago de este acuerdo, bastará una simple llamada telefónica para concertar una visita de servicio. Puede llamar a cualquier hora del día o de la noche, o bien concertar una visita de servicio por Internet.

La adquisición del Acuerdo maestro de protección es una inversión exenta de riesgos. Si por cualquier motivo decide cancelar dicho acuerdo durante el periodo de garantía del producto, le haremos un reintegro total del valor. O bien un importe proporcional si cancela el acuerdo en cualquier otro momento posterior al vencimiento del periodo de garantía del producto. ¡Adquiera hoy mismo su Acuerdo maestro de protección!

**Algunas limitaciones y exclusiones podrían aplicarse. Para solicitar precios e información adicional, llame al 1-800-827-6655 (en los EE.UU.).**

**\* La cobertura en Canadá varía en el caso de algunos artículos. Para obtener detalles completos al respecto, llame al 1-800-361-6665 de Sears de Canadá.**

### Servicio de instalación de Sears

*Para solicitar la instalación por profesionales de Sears de electrodomésticos, abridores de puertas de garaje, calentadores de agua y otros artículos de uso prioritario en el hogar, llame al 1-800-4-MY-HOME en los EE.UU. o Canadá.*
