EASY DUMP CART

Model 610.246262 User Guide

- 16 cu. ft. heaped capacity.
- 1250 pound weight capacity.
- Removable tail gate.

If you read and follow these instructions, this product can be assembled in 55 minutes or less. If you don't read these instructions, assembly may take over two hours!

TO MINIMIZE ASSEMBLY TIME:

- DO NOT tighten fasteners until instructed to do so.
- Illustrated items shaded red are the parts being assembled in that instruction section.
- Assemble unit on cardboard box to avoid scratches or damage to parts.
- For best results, two people are required for assembly.

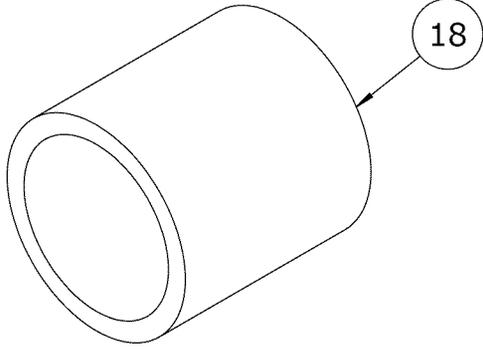

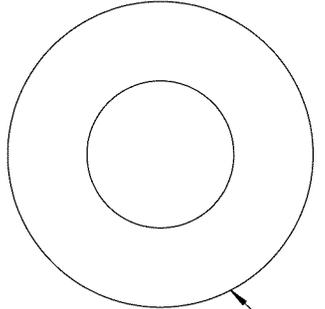

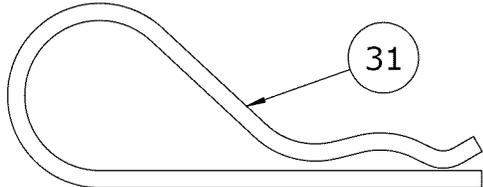

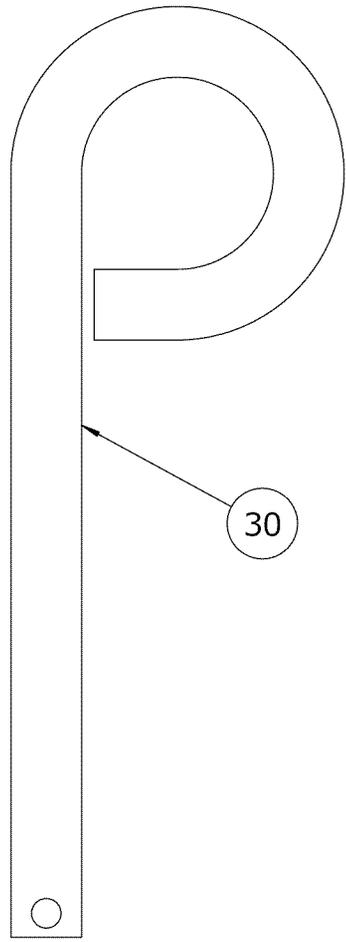

- If there are any missing parts, or if you have any questions on assembly, operation, maintenance or safety, please call

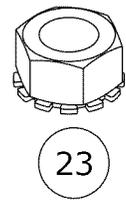

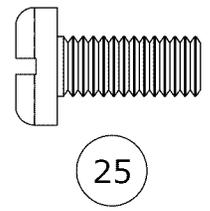

1-800-652-2321

- All fasteners are readily available for purchase at your nearest Sears store or local hardware store.

Hardware Bag Contents

BAG 1.		
REF. NO.	AMT.	DESCRIPTION
18	2	1 3/8" axle spacer
19	4	3/4" axle washer thin
30	1	hitch pin
31	3	hairpin cotter #7

BAG 2.		
REF. NO.	AMT.	DESCRIPTION
23	50	5/16"-18 keps nut
25	50	5/16"-18 x 3/4" pan head bolt

TOOLS SUGGESTED FOR ASSEMBLY

- Large blade screwdriver
- 1/2" wrench and/or socket
- pliers
- cordless drill

SAFETY INSTRUCTIONS

- Never exceed load capacity of cart - 1250 lbs.
- When operating on slopes, use lowest ground speed and limit load to 200 lbs.
- Do not carry passengers in cart.
- Do not use this cart on public roads.
- Operate up and down slopes, never across the face of slopes.
- Avoid sudden turns or maneuvers.

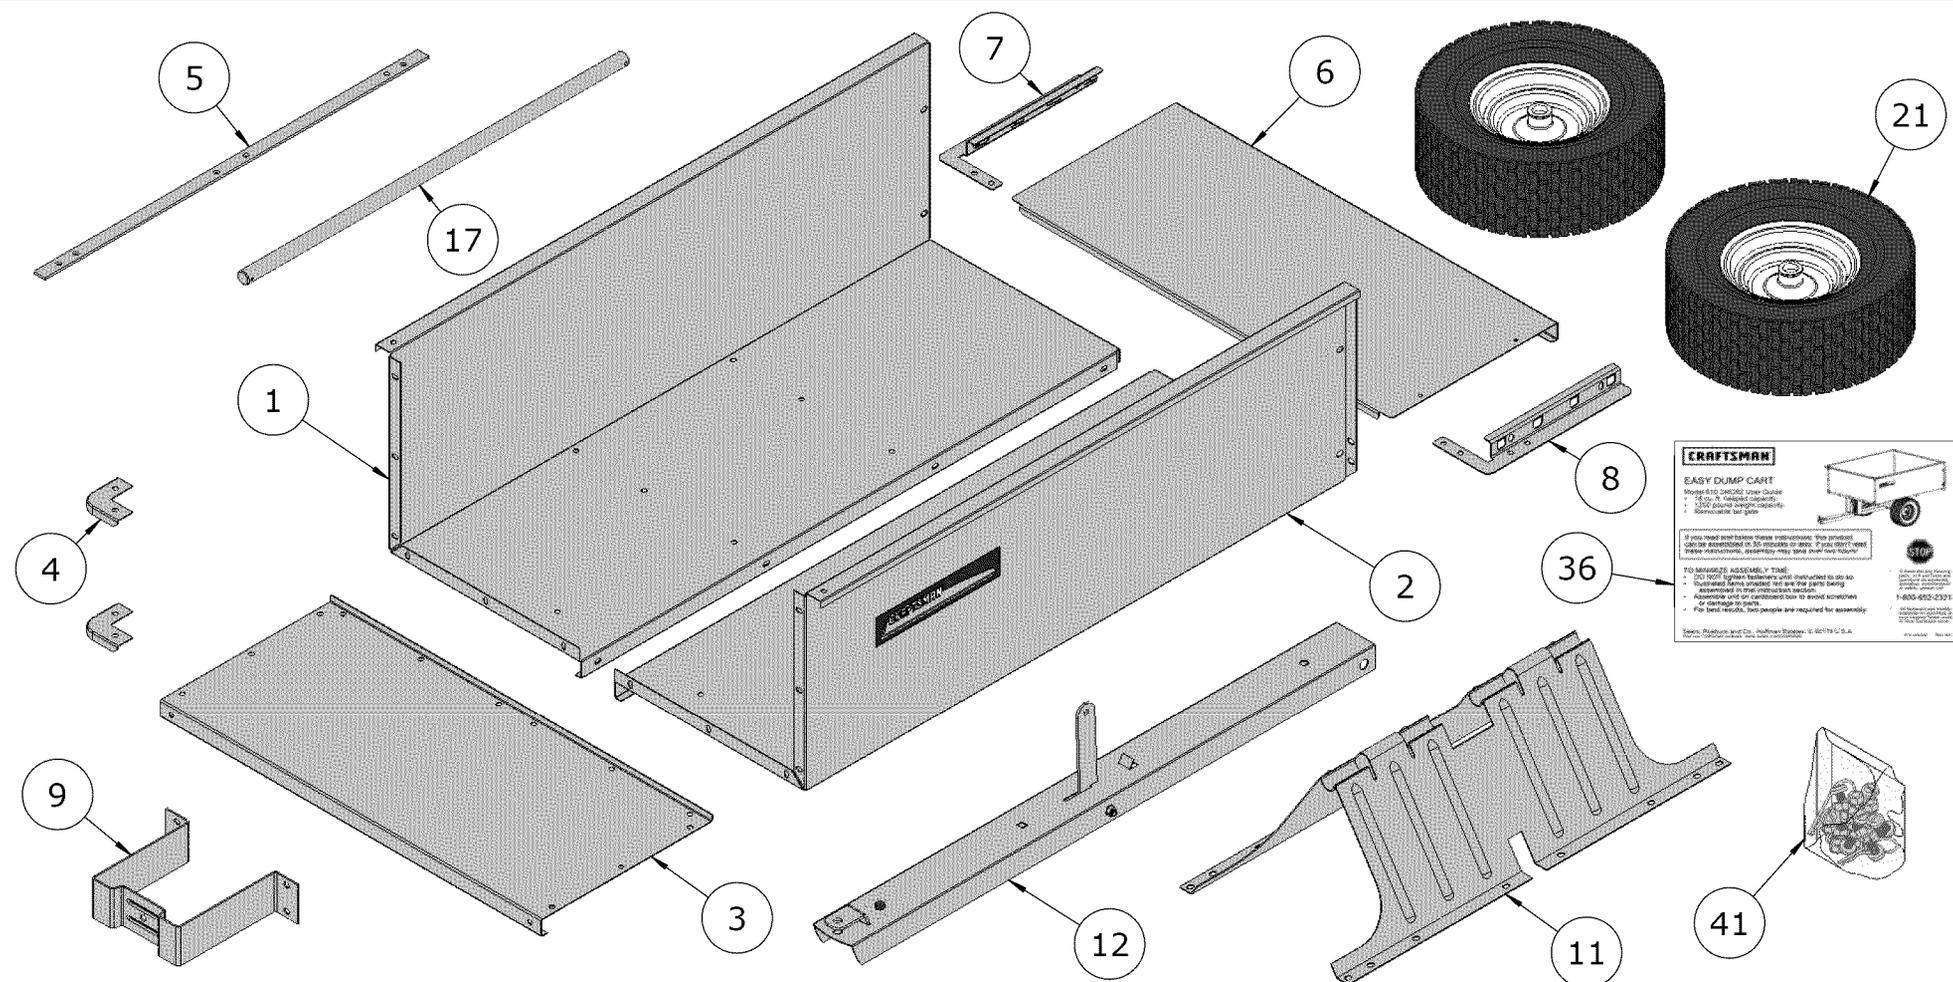

MAINTENANCE & STORAGE

- Periodically check all nuts and bolts for tightness.
- Check tire pressure regularly.
- Grease wheels using zerk fitting at axle for longer life.
- Keep cart clean and dry to prevent rust and corrosion.
- Store inside a clean, dry area when not in use.

OPERATION

- With cart attached to tractor, remove tailgate, and then pullback on latch bar. Cart body will tilt backwards, dumping contents. Once empty, replace tailgate, then pull cart body down until it latches.
- Make sure to use the hairpin cotter with the hitch pin
- when attaching to the tractor.
- Follow all operating instructions in tractors user guide.

 Model #10 100201 Low Loader
 • 18 in. x 36 in. capacity
 • 1,500 pound weight capacity
 • Removable bar gate

STOP

If you read and follow these instructions, you should
 be able to assemble in 30 minutes or less. If you don't read
 these instructions, assemble this gate over the house.

TO AVOID INJURY ASSEMBLY TIME:

- DO NOT loosen fasteners until instructed to do so.
- Fasteners may be needed, but are not part of being
 assembled in one continuous motion.
- Assemble and/or continue to use correct sequence
 or change in parts.
- For best results, two people are required for assembly.

REF. NO.	AMT.	DESCRIPTION	REF. NO.	AMT.	DESCRIPTION
1	1	right body half	9	1	front support
2	1	left body half	11	1	axle holder
3	1	front gate	12	1	hitch assembly
4	2	corner	17	1	axle
5	1	rear support bar	21	2	wheel #3
6	1	tail gate	36	1	assembly manual
7	1	gate retainer right	41	1	hardware bag
8	1	gate retainer left			

Body Assembly

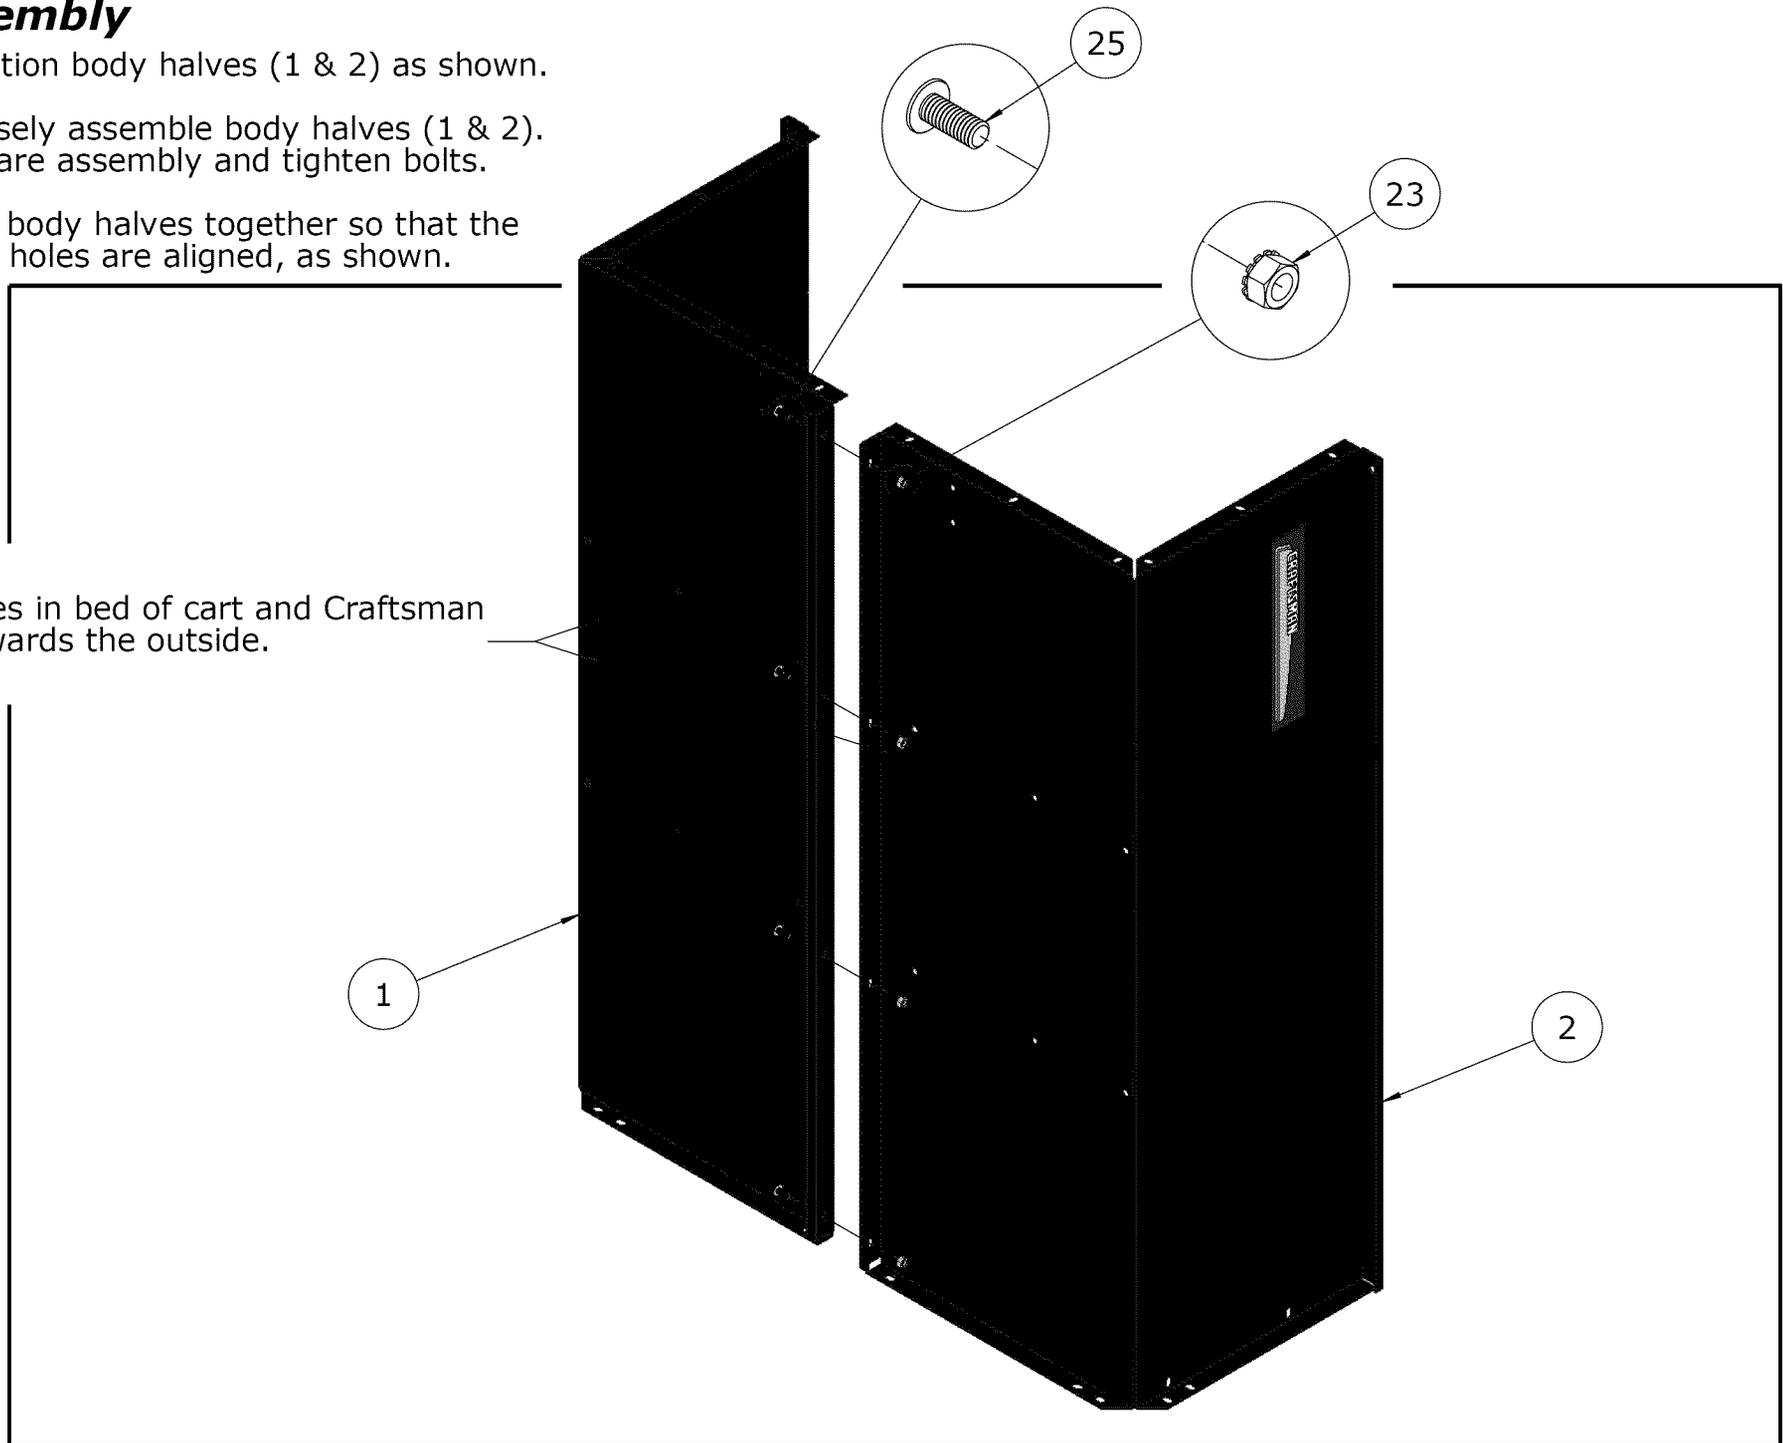

Step 1. Position body halves (1 & 2) as shown.

Step 2. Loosely assemble body halves (1 & 2).
Square assembly and tighten bolts.

Note: Bolt body halves together so that the
four holes are aligned, as shown.

Note: Holes in bed of cart and Craftsman
decals towards the outside.

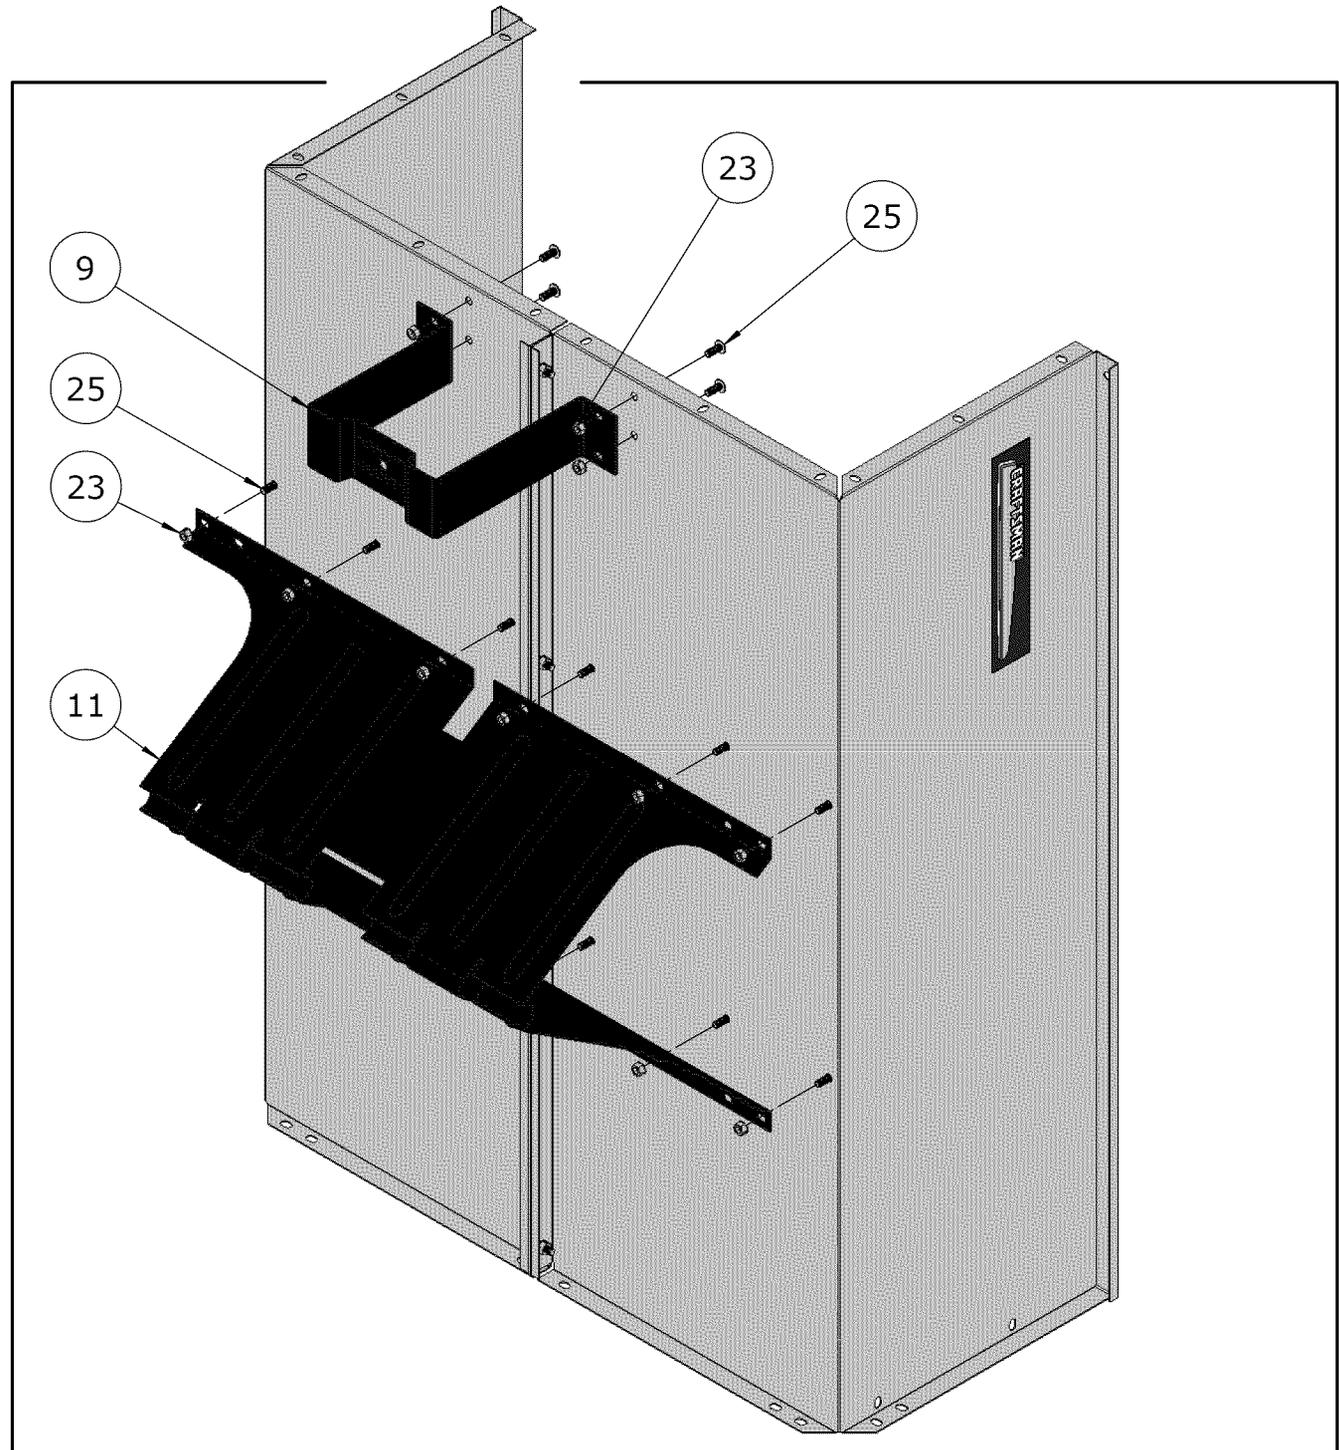

Add Front Support & Axle Holder

Step 3. Loosely attach front support (9).

Step 4. Loosely attach axle holder (11).

TWO PEOPLE REQUIRED
FOR EASIER ASSEMBLY.

Front Gate / Corner Assembly

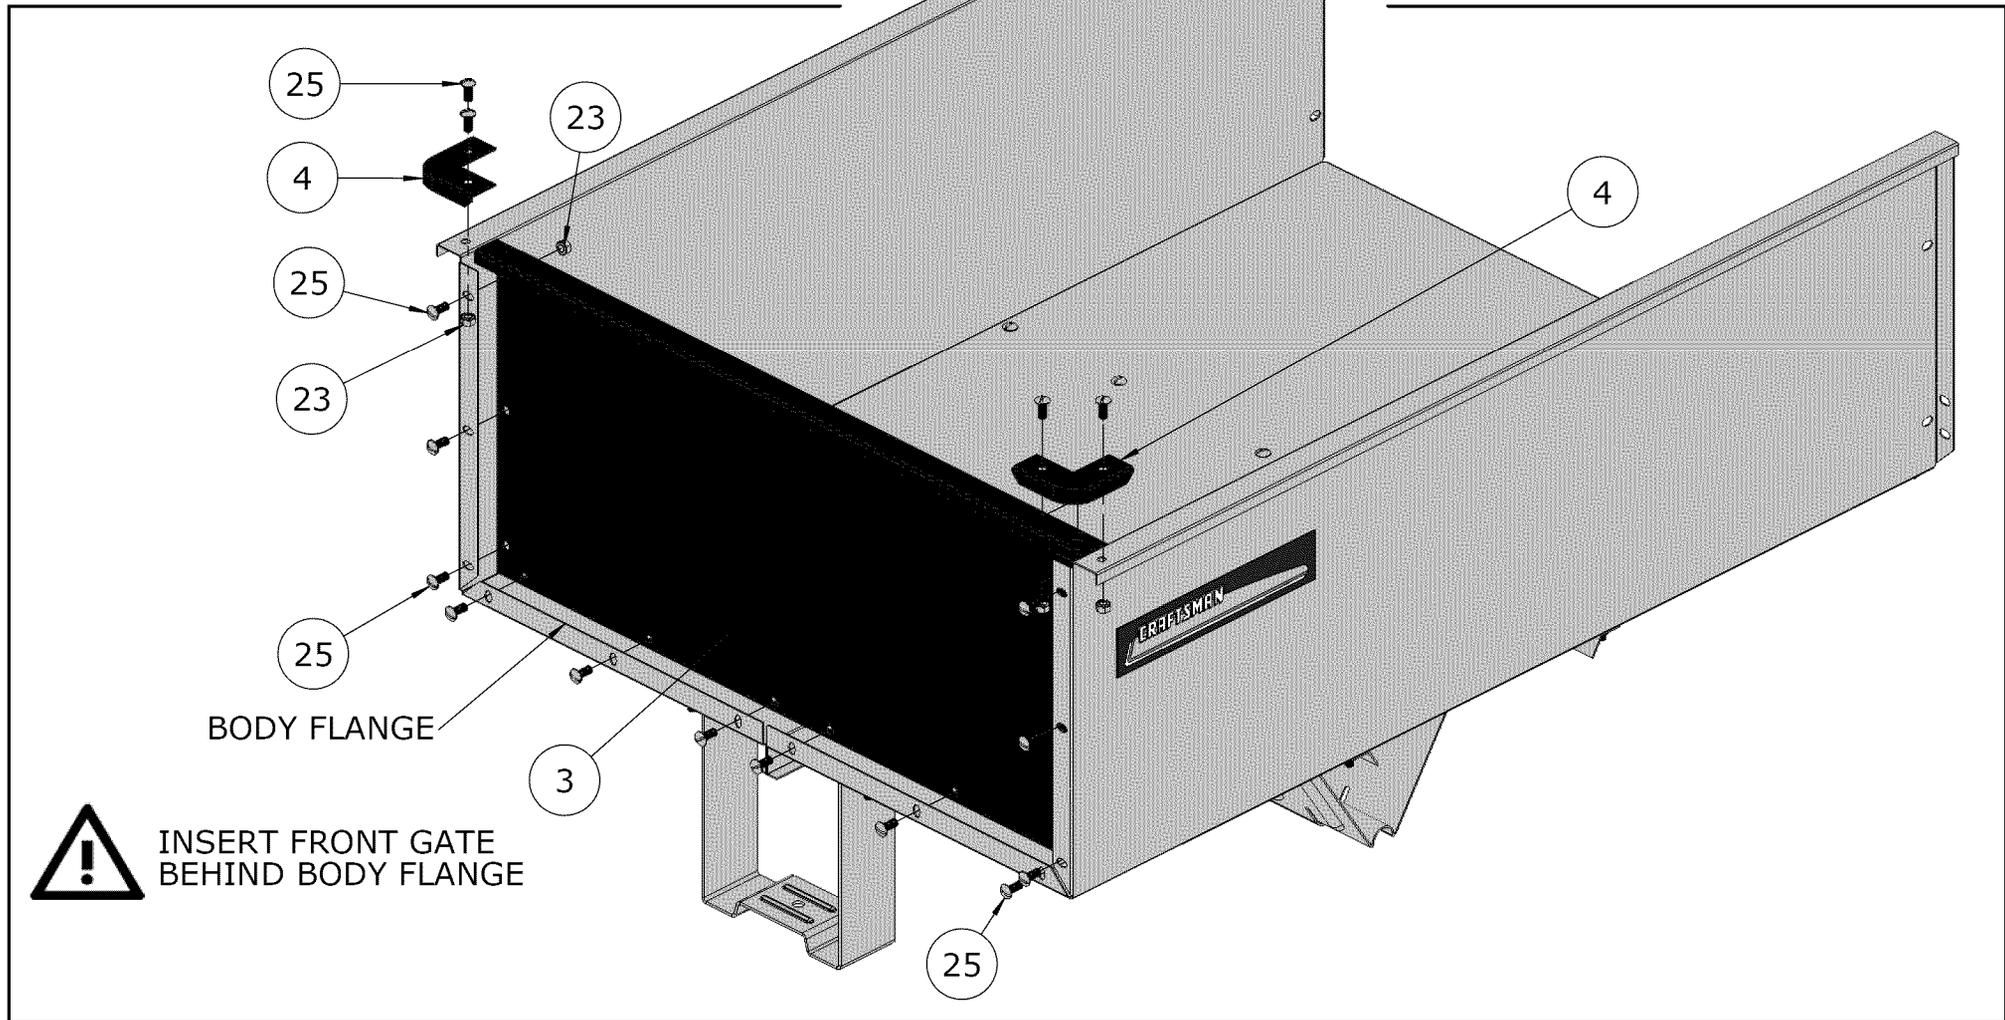

Step 5. Lay assembly down as shown.

Step 6. Insert front gate (3), inside bed of cart, behind body flanges.

Step 7. Loosely assemble front gate to bed with bolts provided.

Step 8. Loosely attach two corners (4).

Step 9. Square assembly and tighten all body half, front gate, corner, front support and axle holder bolts.

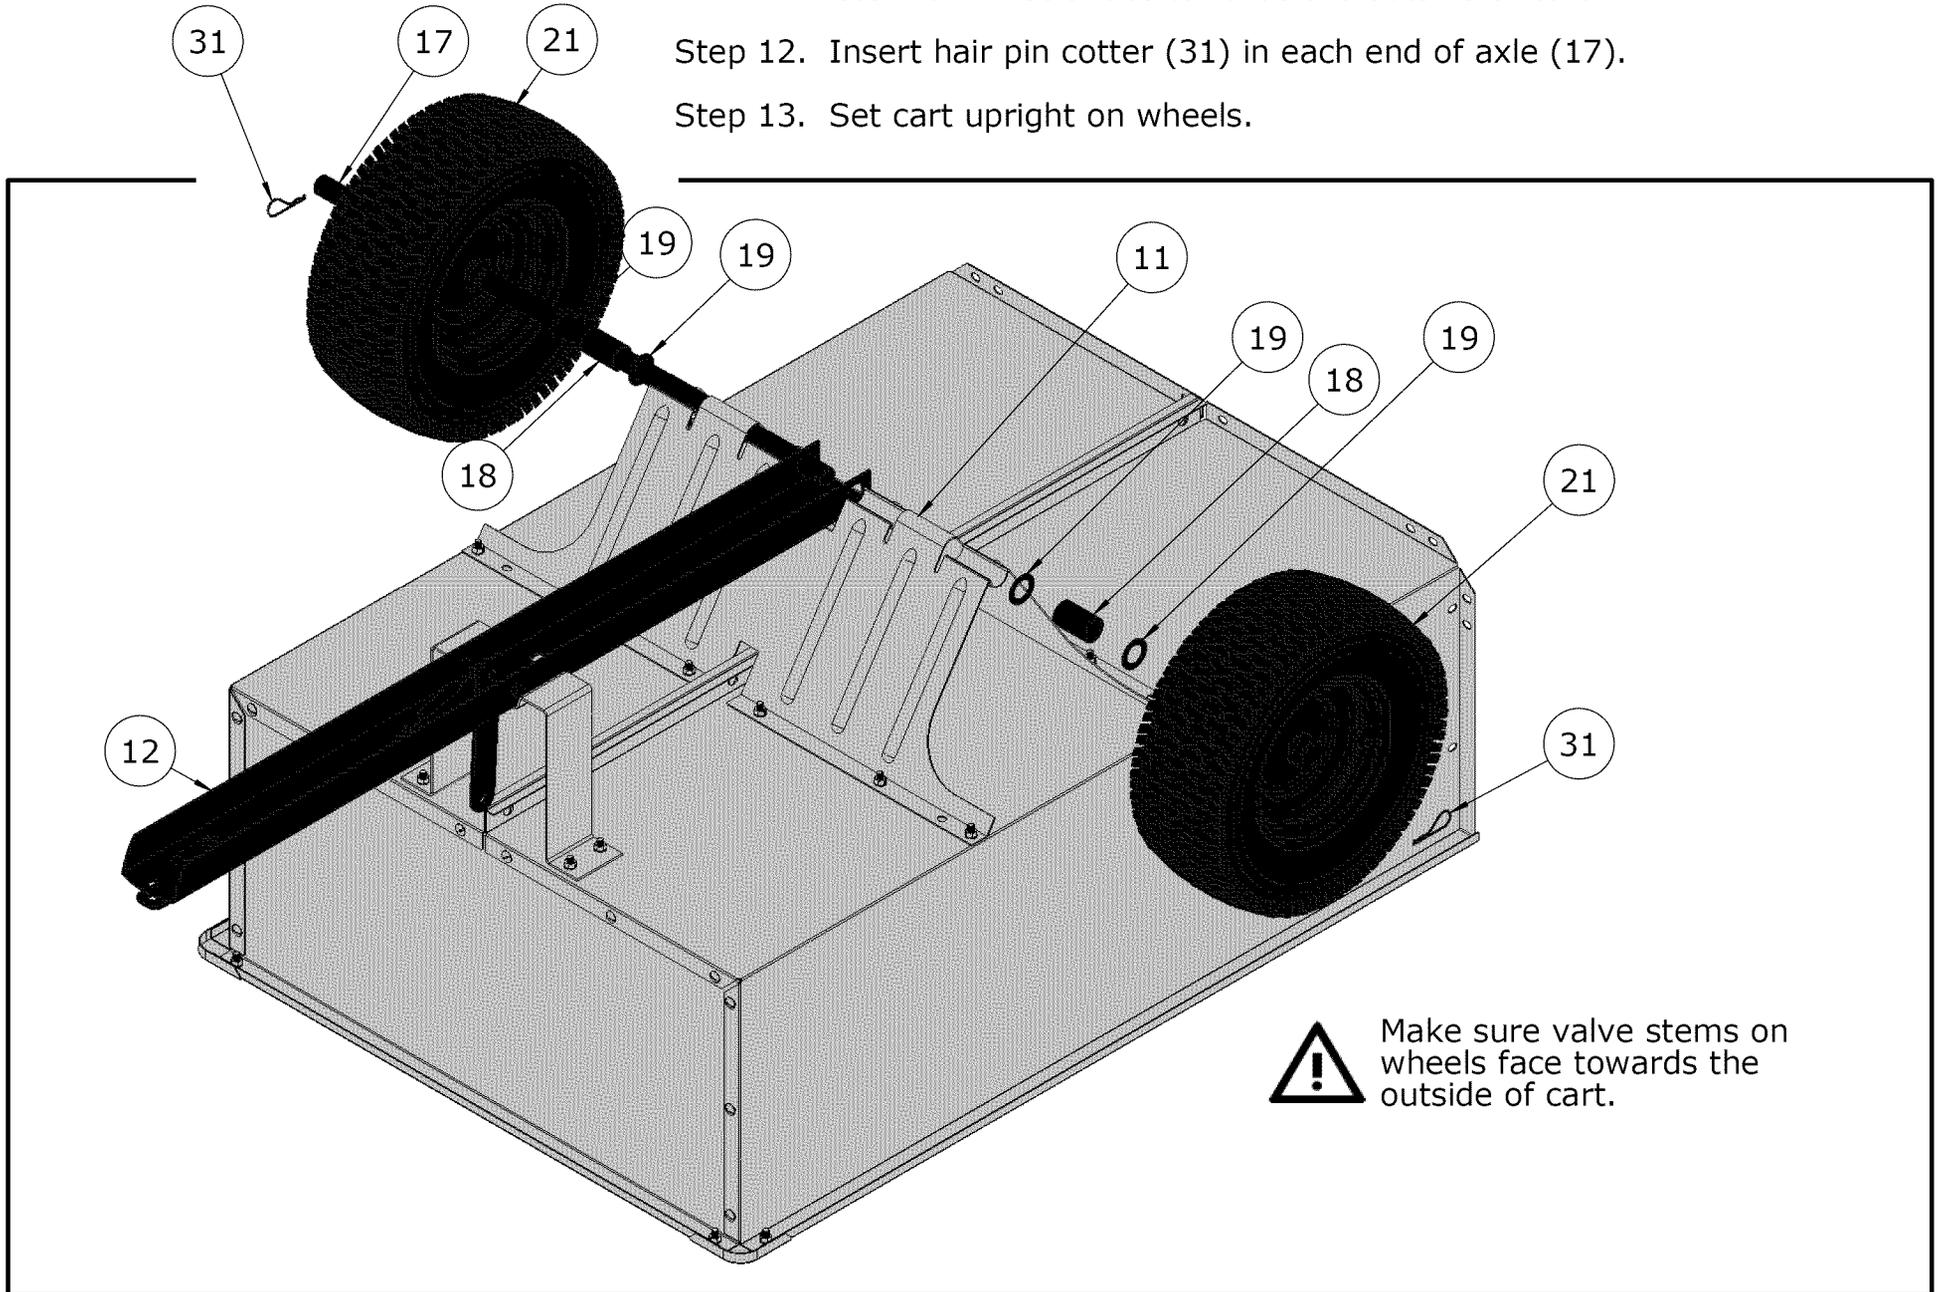

Add Axle, Hitch, & Wheels

Step 10. Slide axle (17) through axle holder (11) and hitch (12).

Step 11. Place axle washer (19), HDPE spacer (18), axle washer (19) and wheel (21) onto axle. Repeat for other side. Note: Make sure valve stem on wheels face towards the outside of cart.

Step 12. Insert hair pin cotter (31) in each end of axle (17).

Step 13. Set cart upright on wheels.

Make sure valve stems on wheels face towards the outside of cart.

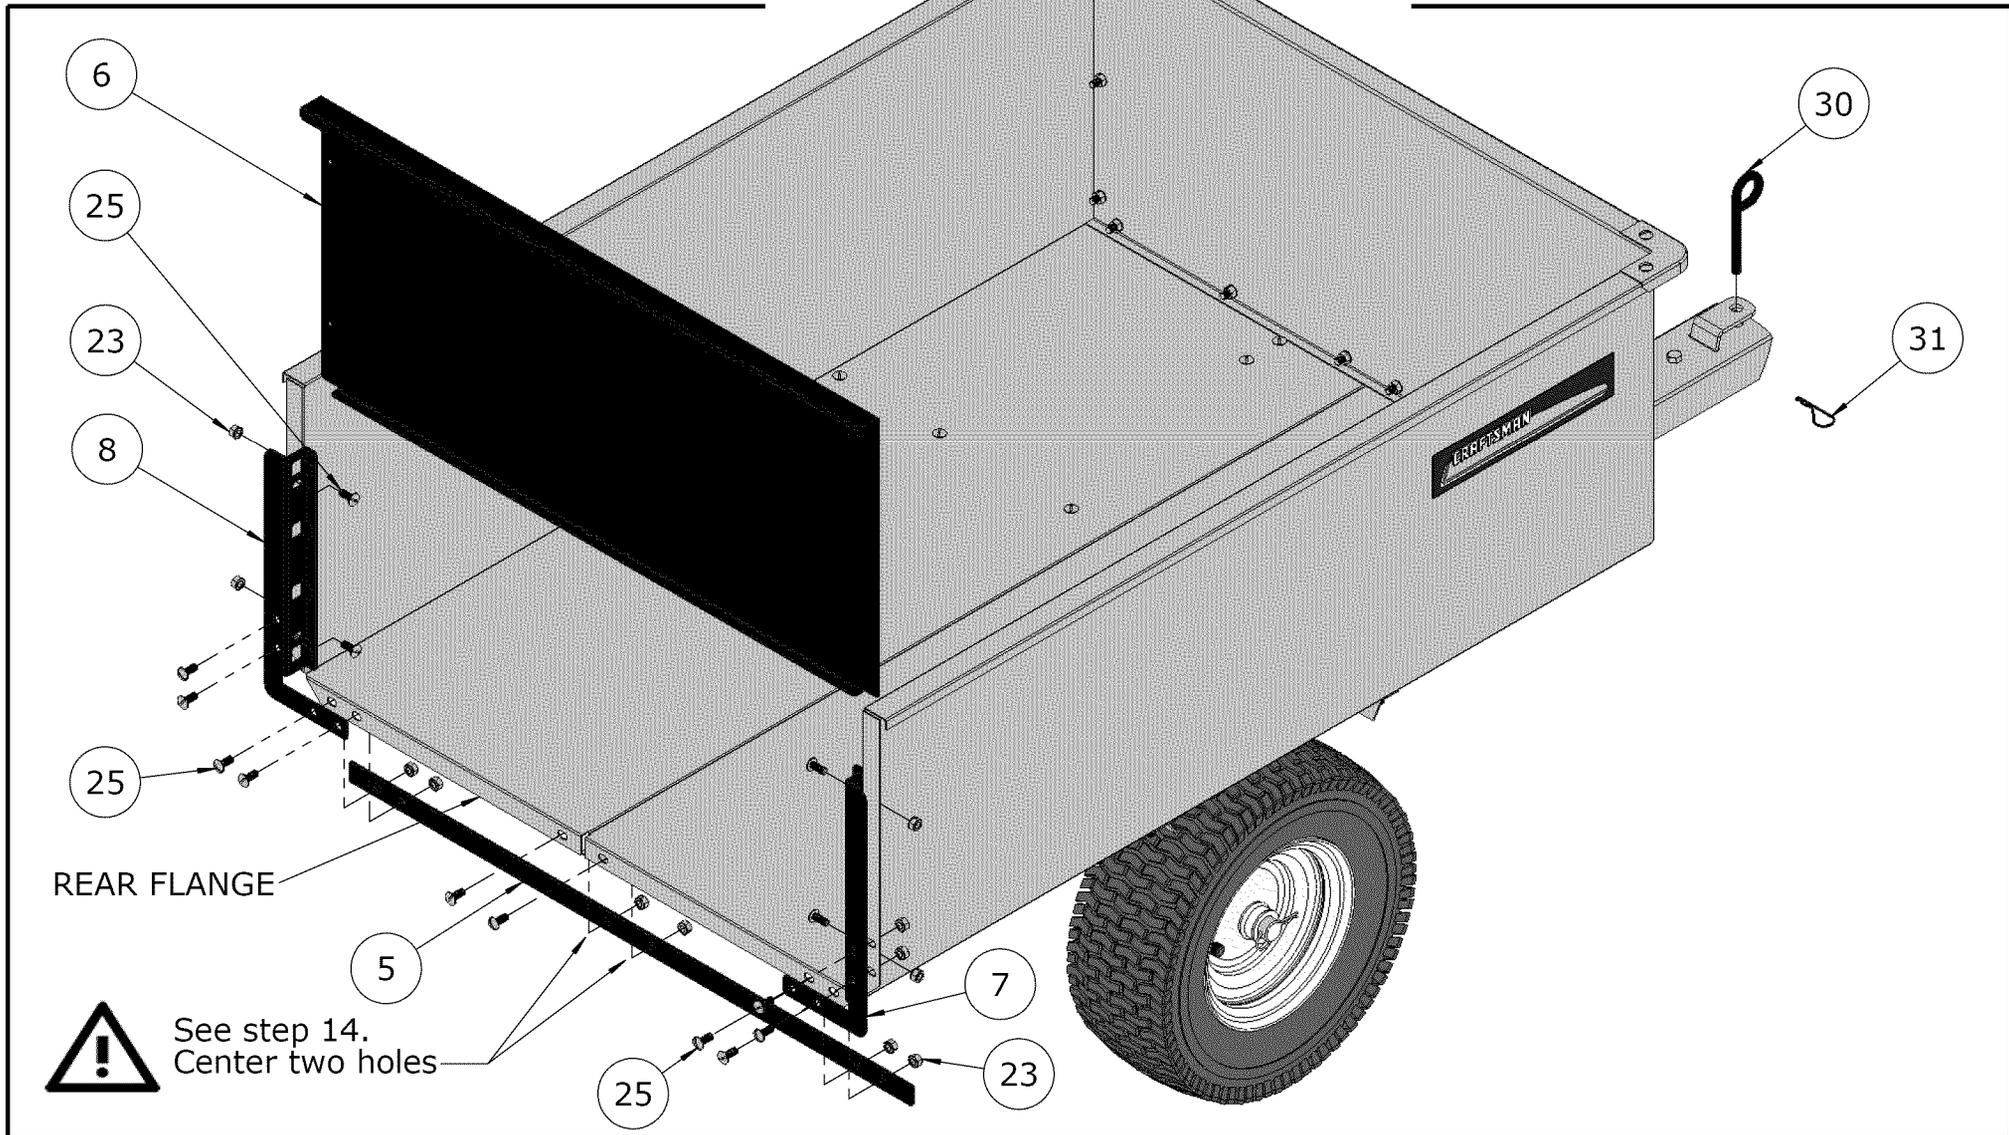

Rear Assembly

Step 14. Loosely attach rear support bar (5) **BEHIND** rear flanges of the assembled body halves using center two holes only.

Step 15. Loosely attach gate retainers (7 & 8) using common holes to each side.

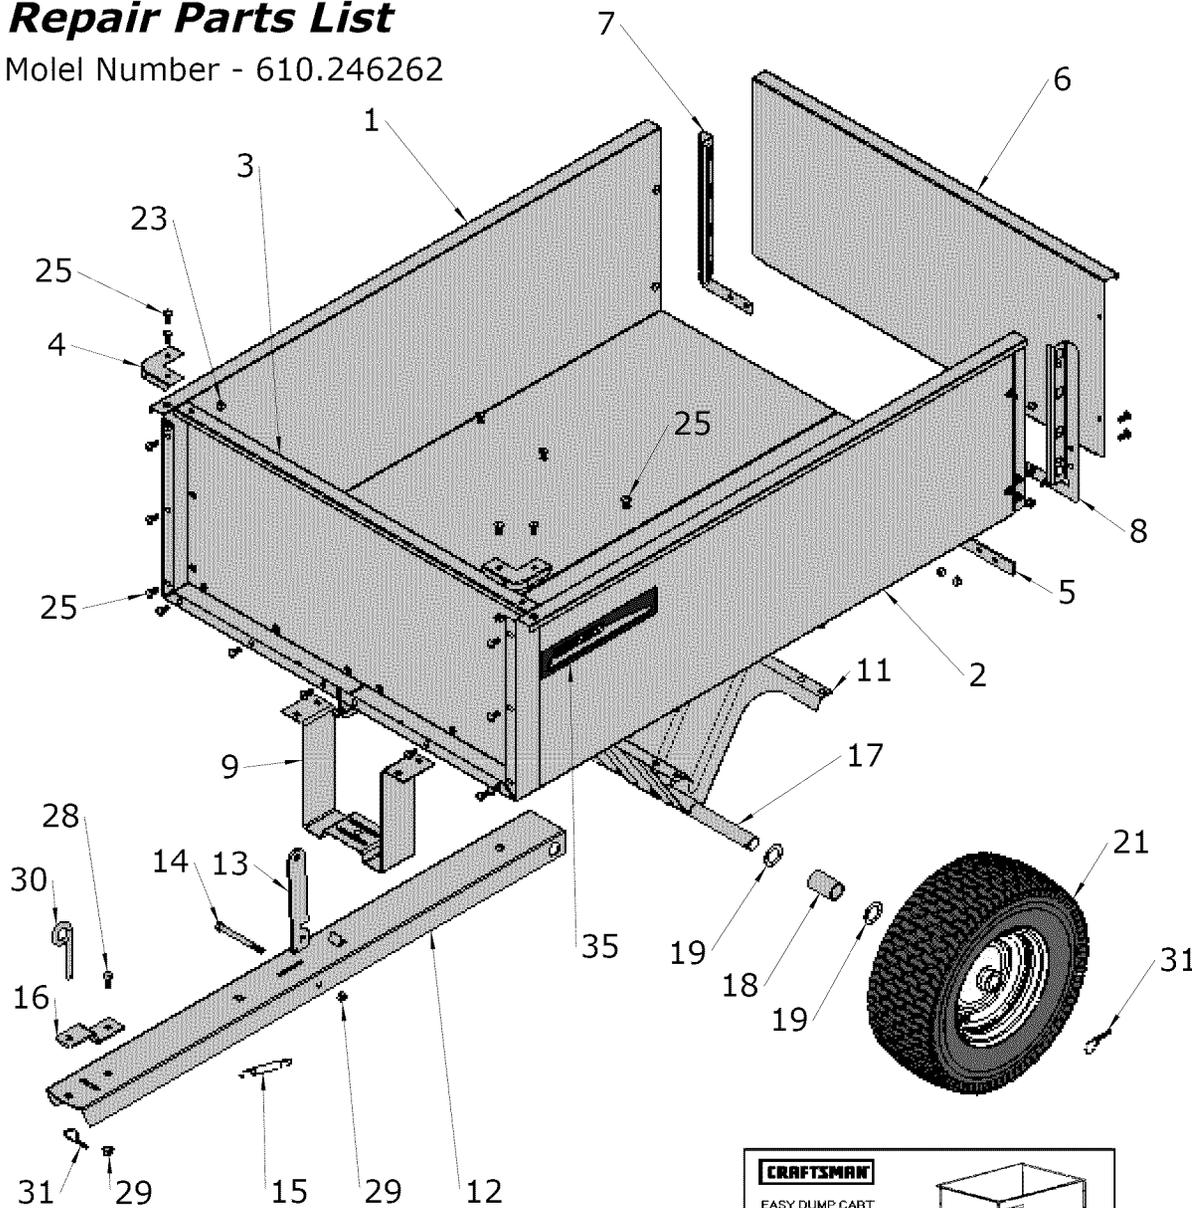

Step 16. Insert tailgate (6) and tighten all support bar and gate retainer bolts.

Step 17. Insert hitch pin (30) into hitch and secure with hairpin cotter (31).
